

# murshid hospital & health care centre

150 bedded purpose-built hospital serving the masses of Pakistan since 1987

# SALANA SAFAR 2018

Murshid Hospital & Health Care Centre (MHHCC) is a N.P.O (not for profit organization) serving the masses of Pakistan for the last 31 years. it is certified by Pakistan Centre of Philanthropy (PCP) and registered by Sindh Health Care Commission (SHCC)

**MISSION:** Committed to improving community's health and serving the ailing humanity with passion.

#### CORE VALUES:

**Unity:** We work together to achieve our goals.

**Passion:** We are committed to improving community's health and caring for the sick.

**Integrity:** We act with transparency, honesty & fairness in all we do.

**Excellence:** We seek to provide high quality clinical care.

**OUR GOALS:** Murshid Hospital and Health Care Centre's goal is to provide healthcare facilities and awareness in line with medical standards to the surrounding marginalized population.

#### Our Belief

We believe that health-care is a fundamental human right and should be available to anyone and everyone, either affordable or free of cost. Therefore none of the patient is turned away from our hospital or asked to pay for our services if they cannot. They are treated free with dignity through funds of Patient Welfare Association (PWA).

#### Our Objective

The objective of the organization is to address the healthcare needs of the surrounding under privileged localities and communities who do not have access to proper medical facilities. The organization through its efficient and affordable out-patient and in-patient program is trying to address the needs of these people from the suburban areas. The hospital has skilled staff and departments with necessary equipment to meet the treatment needs of these communities.

## SPECIAL PROJECTS

### FREE CLEFT LIP & CLEFT PALATE SURGICAL SERVICES:

In year 2018 MH&HCC joined hands with Smile Train USA to provide free cleft lip and cleft palate surgical services. Renowned Consultant Plastic Surgeon Dr Nasiruddin Khan performs all cleft cases in this project.

### FREE OBSTETRICAL FISTULA SURGICAL SERVICES:

As a fistula repair centre MHHCC provides free of cost surgical & medical treatment including transportation and accommodation under the financial support of JANUM Network, DRI and Fistula Foundation.

### FREE T.B. TREATMENT SERVICES:

The hospital also provides daily medical checkup & treatment for TB patients with the collaboration of Indus Hospital under the TB Mitao Program. The services of specialized gene expert has also been available for TB suspected patients.

# TRADITIONAL BIRTH ATTENDANTS WORKSHOPS

*As we all know Traditional Birth Attendants (TBAs) remain the easily available and accessible health resource in rural areas. Training of Traditional Birth Attendants are being regularly conducted at MH&HCC. The objective of these training programs was to ensure safe pregnancy and reduce perinatal mortality.*

*The certified training workshops are conducted on quarterly basis*

## SCHOOL OF NURSING & MIDWIFERY

With a commitment to develop the skilled and trained nursing cadre in this sub-urb of Karachi City, the Murshid School of Nursing & Midwifery (SONAM) was established at Hub River Road, Baldia Town in 1985. It initially started with Diploma in General Nursing & Midwifery Diploma.

### *Currently we have these programs;*

- Post RN BScN (02 years diploma)
- General Nursing
- Nurse Midwifery
- Community Midwifery
- Technician Programs
- Aid Nurse

The SONAM is located in the premises of Murshid Hospital & Health Care Centre. It has beautiful building. It has spacious and airy lecture halls, which are equipped with the multi-media facility. SONAM has the well-equipped Skills Lab, Computer Lab and Science Lab for teaching and training of its students. SONAM also has a Library with thousands of books. There is also beautiful 100-seated Auditorium for academic and social activities.

As per the decision of PNC, the SONAM is now starting the B.ScN Generic (4-Year) Degree Program in 2019.

## NURSING HOSTEL

There is a well furnished hostel with boarding, mess, academic and recreational facilities for the girl students belonging to upcountry and far-flung areas of the city.

## PATIENTS WELFARE ASSOCIATION

***No patient is turned away from our hospital if he / she cannot afford.***

Murshid Hospital and Health Care Center was established in 1987 as a Not for Profit Organization it provides free medical treatment to the poor and non-affording patients. We have been providing quality healthcare facilities by offering wide range of medical and surgical specialties, irrespective of the caste, creed, religion, and ability to pay. We do it free for the poor & non-affording patients with dignity through our Patients Welfare Association (PWA).

Patients Welfare Association (PWA) was established since the inception of Murshid Hospital for the treatment of poor patients who cannot bear medical expenses. PWA is a registered body with Government of Sindh and managed by senior members of the hospital.

The account of PWA is properly maintained and audited every year. PWA has also been holding free medical and surgical camps of all medical and surgical specialties.

Details of Free Medical & Surgical Camps during 2018:
