THE ROLE OF MHHCC IN COVID19 PANDEMIC

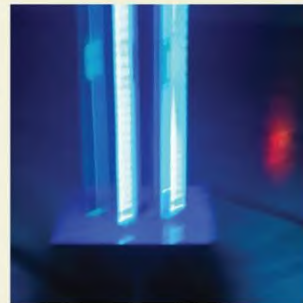

In COVID19 pandemic, the management of Murshid Hospital has implemented all SOPs of COVID19 for the safety of the employees. Free masks, hazmat suits, hand sanitizers, shoes covers, hair covers, gloves and other important materials were provided free of cost.

We had also been using UV light projection and spraying of dis-infectants in every department of the hospital. We had also conducted free antibodies test of our employees several times throughout this pandemic.

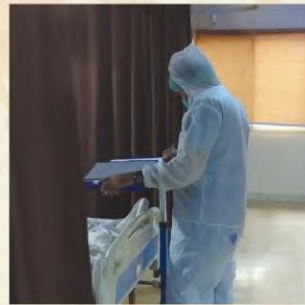

We had also developed **COVID19 Units;**

- **COVID19 ICU**
- **COVID19 Quarantine ward**
- **COVID19 ER Isolation**

These units had been under the supervision of highly professional team of consultants, nursing and para-medical staff who had preformed their duties in COVID19 units and served the masses with our best services throughout the COVID19 pandemic.

GUEST FEEDBACKS

Dear All

I have visited the Murshid Hospital
I found this hospital potentially very
much viable and can run
for profit making organization

All services are available almost
Radiology and IR services
are needed to be developed
more.

Team is very good and
supporting.

Dr: Yousuf Memon
IR Radiologist
Dept: Junior Lect
MMH and
GIMS.
24-5-19.

It has been said "It is in the service of
others that we find ourselves" and the level
of service and spirit of philanthropy at Murshid
Hospital is awe-inspiring. I'm so very happy
and proud to see the wonderful facilities
and competent staff here. Best wishes
to all here for continued success and
progress.

MURSHID SCHOOL OF NURSING & MIDWIFERY

Welcome to School of Nursing and Midwifery. At this School of Nursing & Midwifery we strive to develop a secure and encouraging community for our students. You have joined a highly-motivated faculty in a lifelong quest for learning. School was inaugurated and recognized by PNC in 1987

It offers different programs in Nursing, including Diploma in Nurse Midwifery (1 Year), Community Midwifery Diploma (2 years), Post RN BSN (2 year) Degree Program affiliated with DUHS, Para Medical courses includes Technician programs recognized by Sindh Medical Faculty (1 year) and Nurse Aid Course (1 year). The school is committed to excellence in the field of education, nursing clinical practice, research and administration. It is also committed to provide the highest standards in nursing education programs, in line with the Murshid Hospital and Health Care vision and mission. SONAM is promoted to Degree Program on 12th May, 2018

In addition to teaching, the faculty members also engage in research, in order to meet the emerging needs of the nation. All the research based activities support the School strong agenda of capacity building, faculty development and women empowerment. The faculty members always strive to provide an open educational environment to the students in order to promote critical thinking, for personal and professional development

We expect to have more opportunities for national, international cooperation and collaboration and hope for greater achievements in the future. We also hope for a greater participation from our faculty members and staff in all our future endeavors

PATIENTS WELFARE ASSOCIATION

*No patient is turned away from our hospital
if he / she cannot afford.*

Patients Welfare Association (PWA) was established since the inception of Murshid Hospital for the treatment of poor patients who cannot bear medical expenses. PWA is a registered body with Government of Sindh and managed by senior members of the hospital.

ZAKAT \ SADQA DONATION
